Subject: Minutes October 2025

Minutes October23, 2025. Tisbury Council on Aging 34 Pine Tree Street Vineyard Haven MA

Present: Connie, David, Wendy, Linda and Tristen

Absent: Mary Ellen

Directores Report

Thanksgiving diner deliveries: The funding for this outreach is not available this year. The Tisbury Council will pick up the expense for the meals for our clients, approximately \$500.00.

The new floors will be inserted next week to replace old and stained carpet.

The wall has been erected in the back room to create an office for the new Outreach position and also a space for Shein appointments. The wall construction cost was \$9,752.00.

Catie is tryin to find a vender that will sell us the tent covering we need to replace the rental tell. She is having great difficulty finding a vendor. Because of the roof line and design of porch it is too complicated to put up a permanent roof. The center will need to purchase a new commercial refrigerator to replace the current one that is broken.

The fish distribution will need to use a refrigerated truck for deliveries next year per the Edgartown Board of Health. Healthy Aging has begun scheduled transport to all towns.

Friends Report

Dine to Donate program at The Barn sent a check for \$900.00.

The Friends donation box in lobby is working well.

Respectfully submitted
Sandy Pratt
