Minutes October 23, 2025 Tisbury Council on Aging. 34 Pine Tree Street Vineyard Haven MA

Present: Connie, David, Wendy, Linda and Tristen

Absent: Mary Ellen

Staff Present: Catie

Directors Report:

Thanksgiving diner deliveries are scheduled for Wednesday afternoon. The funding for this outreach is not available this year. The Tisbury Council will pick up the expense for our clients, approximately \$500.00.

The new floors will be installed next week to replace the old and stained carpet.

The wall has been erected in the back room to create an office for the new Outreach Director position and also a space for SHINE appointments. The wall construction cost was \$9,752.00.

Catie is trying to find a vendor that will sell us the tent covering we need to replace the rented tent. She is having great

difficulty finding a source. Because of the roof line and porch design it is too complicated to put up a permanent roof.

The center will need to purchase a new

commercial refrigerator to replace the current one which is

broken.

The fish distribution will need to use a refrigerated truck to

make fish deliveries next year per the Edgartown Board of

Health.

Healthy Aging group has begun scheduled transportation

between towns.

Friends Report

Dine to Donate programs at The Barn sent a check to

Friends for \$900.00.

The Friends donation box in the lobby is working well.

Respectfully submitted

Sandy Pratt
