I am sending a short report updating you on what is going on at the Senior Center. First and foremost, we have our programs back. Everyone is so happy to be back. I hope we will continue to be on the downhill trend as far as COVID cases go. It is nice that the mask mandate has been lifted, however we still have to be careful. Two new groups have been started the month of March. One is an eight week writing workshop with Susan Klein and the other group is a quilting group.

We will be delivering Easter Dinners on Easter Sunday. As of this writing, there are 34 dinners we will be delivering to. There are volunteers who will be delivering the dinners. The meals will be prepared by MV Hospital.

The contractors have finished shingling the building. They did a great job. The center looks like a new building. A Thank you goes to the DPW and the contractors for a job well done.

Lastly, I want to say we have hired a person who will be 14 hour receptionist. She will be starting around the first of May. We are happy to have another good person to join our team.

I want to mention that I will be retiring in October 2023. This will hopefully give enough time to find my replacement.
