Water Department Submitted by Christopher Cassidy:

Operational Report February , 2022

- The rehabilitation of the Sanborn well was completed in the month of February 2022
- 9 water meters have been replaced as part of our meter replacement program
- Monthly bacteria samples were collected, analyzed and reported to Mass DEP as well as the water works
- A new Service line to the boat landing on Beach road is currently being installed by the water works staff including apparatus which will allow us to winterize the new pipe properly.

2022 Well Production
