

TOWN OF TISBURY

OFFICE OF THE TREASURER

PO BOX 1208 TISBURY, MA 02568 | 508.696.4250

Finance Department Update

June 8, 2022

Department developments in May

- Provided support for negotiation of general union contract and for town-wide negotiation of allocation of high school renovation cost
- Working on financing and insurance for elementary school renovation project
- Munis utility billing implementation on track to go live at start of July
- Implementing short-term disability insurance program - start date 7/1/22
- Finance director attended a 5-day conference of education and information regarding pension plans

Open items

- Planning upgrade of Munis financial software to the next release in mid-September.
- Will implement Munis tax title software module when Munis can send a person on-site. Funding was approved at town meeting.
- We have postponed the Dept. of Revenue Technical Consulting Bureau on-site visit to fall 2022. There is no cost to this review.
 - This review of the financial operations of the town relies on in-depth interviews of staff and a number of elected officials. Under the pandemic restrictions, we agreed that remote interviews would be much less effective. Worth waiting to get the full review in person.

Respectfully submitted,

Jonathan V. Snyder
Finance Director
