- Completed warrant reviews and prepared for town meeting.
- Completed 2022 Census of Governments Survey.

Open items

- Accounting department continues to be short-staffed. Assistant town accountant is returning part-time.
- Munis utility billing implementation presently scheduled for April – June 2022.
- Planning upgrade of Munis financial software to the next release in mid-September.
- Will implement Munis tax title software module when Munis can send a person on-site. Funding was approved at town meeting.
- We have postponed the Dept. of Revenue Technical Consulting Bureau on-site visit to fall 2022. There is no cost to this review.
 - This review of the financial operations of the town relies on in-depth interviews of staff and a number of elected officials. Under the pandemic restrictions, we agreed that remote interviews would be much less effective. Worth waiting to get the full review in person.
