### Finance Department Update

**July 1, 2022**

#### Department developments in June

- Issued real estate and personal property tax bills for the first half of FY2023
- Working on financing and insurance for elementary school renovation project
- Munis utility billing implementation on track to go live at start of July
- Implemented short-term disability insurance program - start date 7/1/22

#### Open items

- Planning upgrade of Munis financial software with a test run in September and a go-live in May 2023
- Will implement Munis tax title software module when Munis can send a person on-site. Funding was approved at town meeting.
- We have postponed the Dept. of Revenue Technical Consulting Bureau on-site visit to fall 2022. There is no cost to this review.
  - This review of the financial operations of the town relies on in-depth interviews of staff and a number of elected officials. Under the pandemic restrictions, we agreed that remote interviews would be much less effective. Worth waiting to get the full review in person.

Respectfully submitted,
